

ArchitectureWorks, LLP was founded by Richard Ireland “Dick” Pigford, FAIA in 1995, and is now led by his son Jay Pigford along with partners Cindy Coyle, Bruce Lanier, Jessica Hughes Bennett, and Roger Mainor. Our firm is based in Birmingham, Alabama and is dedicated to the craft of our profession and providing excellent service to our clients. We create memorable places by exploring the dialogue between architecture, its context, and the people who dwell within. We believe that an inclusive, collaborative design process is essential to the success of each project. As stewards of our environment, we value opportunities to implement sustainable design principles with our clients. We continually endeavor to make a positive difference in the world through our work, our client relationships, our commitment to community, and our respect for the natural environment.

We are seeking motivated mid-level design professionals for full time employment. Resumes and portfolios should be sent to careers@architectureworks.com
