MAKE BETTER

ArchitectureWorks, LLP was founded by Richard Ireland “Dick” Pigford, FAIA in 1995, and is now led by his son Jay Pigford along with partners Cindy Coyle, Bruce Lanier, Jessica Hughes Bennett, and Roger Mainor. Our firm is based in Birmingham, Alabama and is dedicated to the craft of our profession and providing excellent service to our clients. We create memorable places by exploring the dialogue between architecture, its context, and the people who dwell within. We believe that an inclusive, collaborative design process is essential to the success of each project. As stewards of our environment, we value opportunities to implement sustainable design principles with our clients. We continually endeavor to make a positive difference in the world through our work, our client relationships, our commitment to community, and our respect for the natural environment.

We are seeking motivated students of architecture programs (all years of study) for full time employment during their Summer 2026 term. Resumes and portfolios should be sent to careers@architectureworks.com

Student Intern (all years of study)

- Seeking a student pursuing a professional architecture degree looking to gain exposure to a wide range of design experiences while developing professional skills. Primary responsibilities include model building, assisting in conceptual phase tasks, preparing presentation/design graphics, and providing general support to staff members.

Requirements include:

- Enrollment in a NAAB-accredited collegiate architecture program seeking a Professional Bachelor’s or Master’s Degree
- Exceptional graphic/rendering and hand drawing skills
- Strong communication and problem-solving skills
- Ability to work collaboratively with a team under close supervision of tasks
- Proficiency in Adobe Creative Suite
- Basic AutoCAD or Autodesk Revit knowledge is preferred, but not required
